

"I highly recommend Rick Smith and his Shooting Academy. Rick has put in countless hours and time to perfect his shooting school. A great communicator and a wonderful personality to help it along. You get the bang for your buck out of Rick and his school."

Vance Barnes
NSCA Level III Instructor

The Training Academy is geared for shooters of all and every experience. We have two days of intense coaching each individual shooter on the basic fundamentals for the different shots.

The academy can only take 5 students for the two days.

The cost is \$300. per day / total cost is \$600. for each student.

The academy absorbs the cost for all targets and provides water or other soft drinks.

The only place where **SUCCESS** comes before **WORK** is in the dictionary.

RICK SMITH's ADVANCED TRAINING ACADEMY

Gary Greenway, past NSCA Head Instructor, said; **"RICK IS THE BEST LEVEL III INSTRUCTOR I HAVE. I WISH I HAD 10 MORE RICK SMITHs"**

"There are no advanced shooting methods. only advanced applications of the basics"

Rick will train you HOW to have a **PROPER SET UP** and **HARD FOCUS** for each target; the two most common causes for a miss.

Excellence is not a skill or a talent, it's an
ATTITUDE

As a student in the academy you will receive a great quantity of one-on-one training time with personal coaching and instruction that will improve your own skills and talents as a sporting clays shooter and bird hunter.

"I had the pleasure of attending two of Rick's Shooting Academies. His corrections and suggestions help me continue to improve as a shooter and instructor." Roger Fehman NSCA Level 2 Instructor

"Rick Smith is a 'no nonsense' top level NSCA instructor. I can attest to Rick's superior ability to tailor his instruction to the experience level of his student. His talent is in his identifying and his analyzing a shooters faults, then in prescribing, explaining and demonstrating corrective actions - followed up with positive reinforcement." Retired Colonel Walt Ivanjack
